SPRING  
SUITS

There's a fairy story about a mirror that made beautiful everything it reflected. Our Spring Suits seem to possess that same magic power of transformation, for a fashionable, becoming suit adds greatly to any woman's appearance, as every person of taste and discrimination well knows. Fine clothing will not make a fine woman, but if selected from our stock, it will make a well-dressed one who is secure in the satisfying knowledge that she is not behind the times in her apparel. Our customers belong to the dress circle: will you not join it? We offer you most desirable spring garments—good of quality, correct in style and workmanship, all beautiful, attractive and fully up to our high standard of value.

TRICOTINE SUITS — Fashion's password for Spring—are shown in many different models, some belted, some unbelted, some on long, close-fitting or semi-fitting lines, others less severely modeled in ripple effect. Navy blue, of course, is the popular color, for Spring would not be Spring without this perennial favorite, but we show other colors also.

Price ————— \$49.50 to \$89.50

MEN'S WEAR SERGE SUITS — The strictly tailored suit comes into its own in the Springtime. Its smart slenderness and neat, conservative lines are always the evidence of good taste on the part of the wearer. For steady service, which is the real test of a Suit, we recommend these models in navy blue, taupe or black.

Price ————— \$39.50 to \$75.00

WOOL JERSEY SUITS — Practical, smart and popular—the most economical of all really fashionable tailored suits. Wool Jersey is light in weight as nearly dust-proof as any cloth can be, and practically uncrushable. Whether for sports, traveling or street wear, these suits will give you satisfaction. Heather mixtures in blue, green or brown.

Price ————— \$39.50 to \$59.50

SUITS — Of serge, poplin, Poirer twill, etc. We have about fifteen suits we have carried over from last season. These are all of excellent style, belted or unbelted, some box effect, others of more elaborate design, some with vests, some with other distinguishing features. In blue, brown, taupe and black. We offer these at a less price than we can quote on this season's models, and assure you that you will get a veritable bargain if you buy one of these, as the material alone would cost today almost as much as the perfectly finished suits.

Price ————— \$23.75 to \$35.00

DRESSES FOR SPRING — BEAUTIFUL GEORGETTE gowns—figured or plain, frilled, flounced, puffed or straight-line effect—CRISP TAFFETA frocks, gorgeously embroidered—CLINGING, SHIMMERING TRICOLETT gowns of various fashionable designs—SMART WOOL JERSEY dresses serviceable for many occasions. This attractive group of new Spring frocks we offer in all prevailing colors.

Price ————— \$35.00 to \$85.00

COSTUME BLOUSES — in Georgette, Crepe-de-Chine and Taffeta. Beautiful new models—beaded, embroidered, tucked, frilled—all the newest designs.

Price ————— \$6.95 to \$15.00

INCIDENT to every period of industrial prosperity, the stock market has witnessed a period of thoughtless, reckless speculation. The general desire is to get something for nothing. There is, in the vast majority of cases, no sudden road to wealth. The beginnings of the great fortune and the large business have been thrift, and thrift is only consistent, persistent saving.
